### 3. Filer's Employment Agreements and Arrangements

#	EMPLOYER OR PARTY	CITY, STATE	STATUS AND TERMS	DATE
1	Teledyne Technologies	Thousand Oaks, California	When I was at Teledyne, I enrolled in their Executive Deferred Compensation Plan and selected the distribution plan that upon termination would provide payments quarterly over 10 years starting in the 7th month following the month of termination. I could only change those terms to a lump sum payout 12 months prior to termination, but I did not know I was leaving for a new opportunity until about 5-6 weeks before termination. So these payout terms are locked in. I do not know how the exact quarterly payments are calculated. They are roughly equal to the total value divided by 40 (10 years * 4 payments per year), but they seem to trend with the mutual funds that they are held in. Payments in a given year have been the same, but have increased year over year.	1/2013

This section does not include assets or income from United States Government employment or assets that were acquired separately from the filer's business, employment, or other income-generating activities (e.g., assets purchased through a brokerage account). Note: The type of income is not required if the amount of income is \$0 - \$200 or if the asset qualifies as an excepted investment fund (EIF).
